*New Delhi, the 31st May 1967*

**G.S.R. 907.**—In exercise of the powers conferred by section 8 of the Iron Ore Mines Labour Welfare Cess Act, 1961 (58 of 1961), the Central Government hereby makes the following rules further to amend the Iron Ore Mines Labour Welfare Cess Rules, 1963, the same having been previously published as required by sub-section (1) of the said section, namely:—

1. These rules may be called the Iron Ore Mines Labour Welfare Cess (Amendment) Rules, 1967.

2. In rule 2 of the Iron Ore Mines Labour Welfare Cess Rules, 1963 (hereinafter referred to as the said rules), clause (10) shall be re-numbered as clause (11), and before clause (11) as so re-numbered, the following clause shall be inserted namely:—

“(10) “Schedule” means a Schedule appended to these rules;”

3. In Chapter III of the said rules, after rule 30, the following rules shall be inserted, namely,

“30-A. *Standard of dispensary services.*—(1) The standard of dispensary services to be provided by owners of iron ore mines for the purpose of getting the grants-in-aid envisaged in clause (c) of section 3 of the Act shall be as specified in Schedule I, hereinafter in this rule and in rules 30-B, 30-C and 30-D referred to as the prescribed standard.

(2) There shall be maintained an independent dispensary at each iron ore mine according to the prescribed standard:—

Provided that a common main dispensary may be maintained for several iron ore mines with branch dispensaries attached to each iron ore mine subject to the following conditions, namely:—

- (i) the common main dispensary shall maintain the standards prescribed for the aggregate number of workers of all the iron ore mines served by it or the standard maintained by it during the year 1961, whichever is higher;
- (ii) every branch dispensary shall have a qualified doctor and a qualified compounder;
- (iii) the common main dispensary shall be so situated that none of the iron ore mines served by it is more than fifteen kilometres away from it; and
- (iv) the common main dispensary shall maintain an ambulance van for taking serious cases of injury and sickness from the branch dispensaries to the common main dispensary.

(3) The Chairman may, if he is satisfied that any dispensary is being efficiently run and serves the purpose for which it is established, waive any of the requirements specified in the prescribed standard:

Provided that no such dispensary shall contain any room other than a store room which is less than four metres by three metres in area:

Provided further that a medical licentiate may be appointed to be in charge of a dispensary catering to more than 250 workers only if he has ten years experience as a medical officer in independent charge of a mine dispensary.

**30-B. Inspection.**—The dispensary services, maintained by owners of iron ore mines shall be inspected at intervals not exceeding one year by such medical or other officer as may be authorised by the Chairman for the purpose or by the Chairman himself whenever he considers it necessary. The inspecting officer or the Chairman as the case may be, shall, if the dispensary conforms to the prescribed standard, issue a certificate in Form H which shall be valid for a period of one year from the date of issue.

**30-C. Submission of periodic returns.**—Every owner of an iron ore mine who maintains a dispensary service according to the prescribed standard shall submit to the Chairman—

- (i) in January and July of each year a statement showing the total amount of iron ore produced in his mine during the preceding six months, and
- (ii) in January of each year a certified statement of expenditure incurred on the dispensary during the preceding twelve months.

**30-D. Extent of grant-in-aid.**—Every owner of an iron ore mine who maintains a dispensary for the benefit of the labour employed in his mines shall, if the Chairman is of opinion that the dispensary conforms to the prescribed standard, be eligible to a grant-in-aid which shall not exceed,—

- (i) the amount of duty at the rate of five paise per tonne recovered in respect of iron ore produced by the mine less the proportionate cost of recovery, or
- (ii) the amount spent by the owner of the mine in the maintenance of the dispensary service, as determined by the Chairman whichever is less.

Provided that in the case of a dispensary which serves other workers and members of the public, the amount spent by the owner of the mine in the maintenance of the dispensary service for the purpose of this clause may, if separate expenditure figures are not available, be determined by the Chairman on proportionate basis.

**30-E. Standard of Maternity Centre.**—(1) The standard of maternity centre to be provided by owners of iron ore mines for the purpose of getting the grants-in-aid envisaged in clause (c) of section 3 of the Act shall be as specified in Schedule

II hereinafter in this rule and in rules 30-F, 30-G and 30-H referred to as the prescribed standard.

(2) There shall be maintained an independent maternity centre at each iron ore mine according to the prescribed standard:

Provided that a common main maternity centre may be maintained for several iron ore mines with branch maternity centres attached to each iron ore mine subject to the following conditions, namely:—

- (i) the common main maternity centre shall maintain the standards prescribed for the aggregate number of workers of all the iron ore mines served by it or the standard maintained by it during the year 1961 whichever is higher;
- (ii) every branch maternity centre shall have a qualified doctor and a qualified compounder;
- (iii) the common main maternity centre shall be so situated that none of the iron ore mines served by it is more than fifteen kilometres away from it; and
- (iv) the common maternity centre shall maintain an ambulance van for taking serious cases from the branch maternity centres to the common maternity centre.

(3) The Chairman may, if he is satisfied that a maternity centre is being efficiently run and serves the purpose for which it is established, waive any of the requirements specified in the prescribed standard:

Provided that the functions of a lady health visitor may be performed by a fully qualified and registered mid-wife who has not less than ten years experience as a midwife.

Provided further that a lady medical licentiate may be appointed to be incharge of a maternity centre catering to more than 1000 workers if she has ten years experience as a medical officer in independent charge of a mine maternity centre

**30-F. Inspection.**—The maternity centres maintained by owners of iron ore Chairman himself whenever he considers it necessary. The inspecting officer or other officer as may be authorised by the Chairman for the purpose or by the Chairman himself whenever he considers it necessary. The inspecting officer or the Chairman as the case may be, shall, if the centre conforms to the prescribed standard, issue a certificate in Form 'T' which shall be valid for a period of one year from the date of issue.

**30-G. Submission of periodic returns.**—Every owner of an iron ore mine who maintains a maternity centre according to the prescribed standard shall submit to the Chairman in January of each year a certified statement of the expenditure incurred on the maternity centre during the preceding twelve months.

**30-H. Extent of grant-in-aid.**—Every owner of an iron ore mine who maintains a maternity centre for the benefit of the labour employed in his mine shall, if the Chairman is of opinion that the maternity centre conforms to the prescribed standard, be eligible to a grant-in-aid which shall not exceed 50 per cent of the amount determined by the Chairman as the amount spent by the owner in the maintenance of the maternity centre.

Provided that in the case of a maternity centre which serves other workers and members of the public, the amount spent by the owner in the maintenance of the maternity centre for the purpose of this clause may, if separate expenditure figures are not available, be determined by the Chairman on proportionate basis.

**30-I. Standard of facilities for education and recreation.**—(1) The standard of facilities for education and recreation of workers to be provided by owners of iron ore mines for the purpose of getting grants-in-aid as envisaged in clause (c) of section 3 shall be as specified in Schedule III, hereinafter in this rule and in rules 30-J, 30-K and 30-L referred to as the prescribed standard.

(2) There shall be maintained an independent welfare centre at each iron ore mine according to the prescribed standard.

(3) The Chairman may, if he is satisfied that the centre is being efficiently maintained and serves the purpose for which it is established, waive any of the requirements specified in the prescribed standard.

30-J. *Inspection.*—The welfare centres maintained by owners of iron ore mines shall be inspected at intervals not exceeding one year by such officer as may be authorised by the Chairman for the purpose or by the Chairman himself whenever he considers it necessary. The inspecting officer or the Chairman, as the case may be, shall, if the centre conforms to the prescribed standard, issue a certificate in Form J which shall be valid for a period of one year from the date of issue.

30-K. *Submission of periodic returns.*—Every owner of an iron ore mine who maintains a welfare centre according to the prescribed standard shall submit to the Chairman:—

- (i) immediately on the establishment of the welfare centre, adequate proof to the satisfaction of the Chairman showing the capital expenditure incurred on the construction and equipment of the welfare centre; and
- (ii) in January each year a certified statement of the expenditure incurred on the welfare centre during the preceding twelve months:

Provided that the statement shall not include expenditure, if any, incurred on repairs and replacements.

30-L. *Extent of grant-in-aid.*—Every owner who maintains a welfare centre for the benefit of the labour employed in his mine shall, if the Chairman is of opinion that the dispensary conforms to the prescribed standard, be eligible to a grant-in-aid which shall not exceed,—

- (i) 50 per cent of the amount spent by the owner of the mine in the construction and equipment of the welfare centre subject to a maximum of Rs. 10,000 and
- (ii) 50 per cent of the amount spent by the owner of the mine as recurring expenditure in the maintenance of the welfare centre, as determined by the Chairman:

Provided that the amount determined shall not include the amount, if any, spent on repairs and replacements.

30-M. *Commissioner to exercise functions of Chairman in certain cases.*—For areas where no Advisory Committee has been set up, the iron Ore Mines Cess Commissioner shall exercise the powers and discharge the functions of the Chairman under the provisions of these rules".
